Beautifully presented 3 bedroom, 1 bathroom home on approx 793sqm block. This home has something for everyone, with a double roller door shed/workshop accessible through a separate gated access to the side of the house and a very well presented neat and tidy home with fresh paint throughout and a recently renovated kitchen. The three bedrooms all have ceiling fans and storage or built in robes, with a split system air conditioner in the main bedroom. The back of the home has a patio that stretches the full length of the house offering additional living space, great for entertaining year round. The Kitchen has been recently renovated in a modern fresh look with glass splashbacks and plenty of cupboard and bench space. The bathroom is neat and tidy with tiles to the ceiling, shower, vanity and separate w/c. - Side access - Single Carport - Freshly painted throughout - Garden Shed - Double roller door workshop/shed - 2x split system air conditioner to the master bedroom and lounge room - Ceiling fans in all bedrooms - Recently renovated kitchen with ample cupboard and bench space - Full length patio across the back of the home great for entertaining. This little gem won't last!
