We have brand new 6.75 kw solar panel system on the roof, climate controlled living spaces and 5 bedrooms one of which being on ground level, a spacious master bedroom with an ensuite and air conditioning and all other bedrooms fitted with ceiling fans. The living space upstairs comes with its own kitchenette which would be perfect for families who could utilise this space as a teenagers retreat. Now, with all of the homes behind backing onto George Thorn Drive Park, you will notice they have their entertaining areas and pool at the front of the property leaving you with your own privacy on both the ground level and upstairs patios! The outdoor entertainment space is fitted with a ceiling fan and with the gated side access ideal for your boat/caravan and with plenty of garden, you have the opportunity to design your own pool and add the finishing touch to this magnificent home.
