Generously proportioned living space with a fabulous location nestled in the Pentridge Estate makes this an ideal place to call home. On entry you are greeted with a sense of space with open plan living leading to a large kitchen meals area with stone benchtops, dishwasher and an abundance of storage. All three bedrooms are located on the second level with central bathroom, built in robes, main bedroom with walk in robe and adjoining access to bathroom. Additional highlights include a double carport with ROW access, ducted heating, split system, ceiling fans, storage room, powder room and low maintenance courtyard. A perfect home for first home buyers, downsizers or a family in a central location only moments to shopping, Cinema, restaurants, both primary and secondary schools, transport, Coburg Lake, Merri Creek Trail and Sydney Road. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
