Timeless street appeal and solid brick construction define this freestanding home situated on a significant landholding measuring approximately 534sqm. Beautifully situated for convenience and ease of living within Burwood East Primary School zone, only moments on foot to Burwood One for quality shopping and dining, with excellent access to main arterials. Perfectly poised for an interior transformation or reimagining (STCA), the current floorplan entails three bedrooms, two of which feature built in robes, a light-filled sitting and dining room as well as a kitchen with plenty of space for casual dining. Outside, a double tandem garage is perfect for use for storage or perhaps a studio or home office if desired. Plenty of parking, heating, laundry, bathroom and polished timber floors complete the proposition.
