Nutrien Harcourts are delighted to present this outstanding property at Palana, Flinders Island. Situated on 2 titles, the property is offered for sale as one parcel containing 3,825m² or almost 1 acre. The Owners have formed a driveway and levelled a house site (STCA) from which you can enjoy spectacular views across Edens Creek to Palana Beach, Blyth Bay and the Sisters Islands. Palana Road frontage, with power running past. The property is zoned Low Density Residential and would suit a residential dwelling or home plus holiday accommodation unit (STCA). One of the finest blocks with the best views in the area. Please note not all photos are taken from the property.
