A great opportunity now exists to secure your own country get away. On offer are three different titles, the largest being 75.5 hectares, the second 18.97 ha and the third 20.23 ha. Access from Hayley lane is excellent and formed roads throughout the property exist making potential building sites vast (S.T.C.A). Power can also be accessed from the road. Recently a plantation these blocks have been logged and created large areas that could be left to regrow or with some work turned into pasture. A mix of natural vegetation and some plantation still exists over the three titles. Stunning views over the valley are captured from all three titles and the blank slate these titles now offer make this a perfect opportunity to develop a landscape designed for you. There is so much to see on these large titles it is highly recommended you make an appointment to explore the landscape, there are significant flat portions of land, some bushland and even scope to utilise a raised area (S.T.C.A) to build and capture 360 degree views. For information regarding boundaries for each title please contact me directly. Black Hills is approximately 20 minutes drive from the historic township of New Norfolk which offers a Woolworths Supermarket, IGA, Pubs & Sporting Clubs, Antique stores, Retail Shopping, Gym and lets not forget the friendly weekend Banjo's Market!
