Located only 80kms north of Rockhampton with Bruce Highway frontage is this 1,223 acres of productive forest country. The country consists of a good mix of fertile creek flats, rolling hills, timbered hollows all with a good body of feed, with some steeper hills the cattle use in the cooler months. The timbered country hold on well in the hot, dry weather giving green pick most of the year. Water is supplied by 2 equipped bores and 3 dams. There is a further 2 bores that aren't equipped. Fenced into 3 main paddocks with 3 smaller paddocks. There is a set of portable cattle yards with a loading ramp The owners have consistently run 60 breeders and 40 backgrounders.
