Nestled within the thriving community of Rowville, Peppertree Hill provides peaceful living and a vibrant community where friendly neighbours and social connections ensure you belong from the beginning. It's a beautiful retirement village where you'll live well every day. Claiming a superb garden position in one of Peppertree Hills' most popular locations, this updated two-bedroom unit will offer easy care and low-maintenance living for many years with its sparkling new interior décor and quality fixtures and fittings throughout. The home offers a light and bright open-plan layout with an easy flow to the outdoor courtyard and a private garden area. The villa is well-designed and represents one of the most popular floor plans available at Peppertree Hill. Additional features include a modern kitchen with quality appliances and a dishwasher, two bedrooms with built-in robes offering clutter-free living, a beautifully appointed new bathroom, a second toilet, air conditioning, and a single carport. With landscaped gardens and views of the Dandenong Ranges, enjoy relaxing in your rural retreat, with the convenience of shopping centres, health services, parks and reserves nearby. You'll also be close to golf courses, sports and social clubs, beautiful parks and Rowville Lakes, with everything you need at your fingertips. Peppertree Hill offers the perfect mix of relaxation and recreation, independence and support. It's a picturesque backdrop for an enriching lifestyle just waiting for you to make it your own. Relish your freedom at Peppertree Hill while knowing you have support if you need it. To find out more about what's happening at our spectacular village or to learn more about the homes available for sale, call 1800 550 550 to book a private appointment.*Photographs are for illustrative purposes.
