Peppertree Hill is a thriving, well-connected retirement community village located in the suburb of Rowville, conveniently located just across the road from Stud Park Shopping Centre which offers all the shopping and specialty needs you may have. This fully renovated home has just been completed, offering a light bright open plan layout with spacious living areas, overlooking a private courtyard and a fenced rear garden, in addition to a modern kitchen with appliances, a large shower and two toilets. This unit is in a quiet cul-de-sac in the village and has a detached single garage close by. At Peppertree Hill, you will have more time to do the things you love, whether that be joining in on the resident Happy Hour, doing line dancing, or playing bowls. To find out more about what's in store at our spectacular village and learn about all the homes currently available for sale, call 1800 550 550 to book a private appointment. *Photographs are for illustrative purposes. Some images may depict items not provided by Keyton within the units such as furniture and other decorative items.
