Situated in a quiet complex in Northmarque Street in Carseldine, this pretty family home offers future buyers with 4 spacious bedrooms, 2 bathrooms and a single lock up garage. This contemporary townhouse presents a relaxed lifestyle and low maintenance living, ideal for first home buyers, empty nesters or investors. Conveniently close to all amenities you have everything at your doorstep. Boasting an open plan design with plenty of natural light, air conditioning and tiled floor, this is low maintenance living in style. The modern kitchen offers stainless steel appliances including dishwasher, cooktop and range hood with stone benchtops and an abundance of cupboard space complemented by a white tiled splashback. The free-flowing open living accesses a private under cover entertaining area perfect to unwind and enjoy with family or friends. The four generously sized bedrooms offer an abundance of natural light and include ceiling fans and built-in wardrobes, all serviced by a modern family bathroom, while the main bedroom has its own modern ensuite. For more information or to book a private inspection contact Michael today! Features include:
