The quality kitchen looks straight out over the surf club and features broad stone benchtops, a walk-in pantry and all the mod-cons to provide a great spot to prepare your morning coffee and plan your day on the coast! Sliding glass doors lead out from here to a wonderful, elevated wrap-around deck, where you'll love relaxing with the sounds of the waves crashing in the background or entertaining guests in the idyllic surrounds. On this level, the grand master bedroom looks out to the lighthouse, ocean and rainforest reserve and provides with a generous walk-in-robe and access a sleek, stylishly modernised ensuite bathroom, with beautiful floor-to-ceiling tiles and quality finishes. On entry level, there are two very generous bedrooms and another, luxurious, fully renovated family bathroom. Updated to the highest standards, it will again allow you to move in without having any work to do. The double garage has plenty of extra storage space for two large cars and outside, on ground level, the owners have created the perfect zero-maintenance courtyard garden.
