Central Location, Priced To Sell - Set in a fantastic location, this superb townhouse offers tremendous opportunity for first home buyers, downsizers, and astute investors looking for a low maintenance townhouse in a highly sought-after pocket of St Albans. This well-maintained home is impressively spacious with an open plan living/dining room complimented with floor boards and split system heating and cooling. Neat and easy to maintain kitchen with a gas cook top and oven. Two generously sized bedrooms both complete with built-in robes, master incorporated with the balcony and serviced by a bright central bathroom and separate powder room make up the interior of this wonderful home. Inclusions: 2 x split systems with heating and cooling, floorboards, roller shutters throughout and garage with rear access. Located only minutes to all amenities and provides the convenient and ideal lifestyle you have been searching for. First home? Low maintenance investment? Or downsizing? The choice is yours!
