In a class of its own, this stylish home has been tastefully refurbished to provide a life of total relaxation and rejuvenation, purely devoted to absolute comfort and convenience at every turn. A flawless standard of finish coupled with quality appointments and seamless connectivity between indoor and outdoor entertaining work together to develop the feeling of casual sophistication, with a modern design using the concept of open plan living and natural light bursting through the large windows, starting from the lounge, through to the meals and spacious family area then finally flowing outdoors to the large, partially-covered decking surrounded by tropical-inspired landscaping. The amenities are second-to-none, showcasing vogue, contemporary styling, beginning with the spectacular well-equipped kitchen boasting stainless steel appliances; 900mm electric oven, gas stove and dishwasher. The bathrooms continue to impress; firstly, the main bathroom features a separate bath and semi-frameless shower, with the same quality reflected in the master's en-suite. Immerse yourself in a fusion of luxury and convenience, with highlights including; modern colour scheme, gas ducted heating, evaporative cooling, built-in-robos, built-in wall unit (family room), down lights, Roman blinds, spacious front yard and remote double garage. Located in a quiet court, this executive-style townhouse boasts street frontage, is only one of two on the block and is set behind a private fence with a solid gate, furthermore, the position is impressive, located a short distance from Westfield Knox, Bayswater Station, Mountain Gate Shopping Centre, Guy Turner Reserve, Bayswater West Primary, Regency Park Primary and Wantirna College.
