One of the widest streets in Brunswick West provides the perfect setting for this modern double-storey townhouse that's set to impress with its quality inclusions, abundance of natural light and sizeable front garden on title. A perfect entry into the area or welcome addition to any property portfolio, the home's impeccable interior comprises two bedrooms with BIRs complemented by a spotless central bathroom. Impressively spacious, the open living/dining area is adjoined by a stone-bench kitchen with soft-close drawers, fridge waterpoint, stainless-steel cooking appliances and dishwasher. Other stand-out features include split-system a/c and additional panel heaters, along with high square-set ceilings, double-glazed windows and solid hardwood floors. Completing the picture is a private balcony (from the living area), discreet laundry facilities and handy storeroom, plus a large single garage (remote-control) with internal entry. Moments from Melville Road trams along with popular cafes, local shops and a choice of bus routes, it's also close to parks and primary schools, as well as easy access to Anstey Station and Citylink.
