Step inside to discover three cosy bedrooms all with ceiling fans and main with built-in robe. Enjoy the convenience of a renovated bathroom, complete with a separate bath and shower, offering ultimate functionality. The heart of the home is a chef's delight, featuring a modern kitchen equipped with gas cooking facilities, inspiring culinary creativity. Stepping outside, you're greeted by a sprawling undercover entertaining area, perfect for hosting gatherings with friends and family, all while overlooking the level, low-maintenance yards. Imagine lazy afternoons spent basking in the sunlight or enjoying alfresco dining in this serene outdoor space. And for added convenience, a single lockup garage with internal access. Plus, the elegant plantation shutters not only enhance the aesthetic appeal but also offer privacy and control over natural light. Pets considered strictly upon application.
