Experience the perfect blend of sustainability and comfort at SALT Torquay Terrace. This townhouse is designed with energy efficiency in mind, featuring double glazing and a robust 6kW solar panel system, achieving an impressive 7.5-star energy rating. Enjoy a comfortable living environment while minimizing your carbon footprint and lowering your energy bills. SALT Torquay Terrace is ideally located just a short stroll away from Torquay College P-6, St Therese Catholic Primary, and the Pre-schoolers Hub. The close proximity to these educational institutions makes school drop-offs and pick-ups effortless, offering unmatched convenience for families with young children. Inside, the townhouse is designed with generous interior joinery that combines practicality with naturalistic materials and finishes. The light-filled spaces create a serene atmosphere, framing the stunning landscape and coastal views. Large windows in the living and bedroom areas enhance your connection to the beautiful surroundings. The interior choices feature luxurious fittings and fixtures, blending warm greys with natural timber tones to create relaxing living spaces. These areas seamlessly open onto a spacious balcony and ground-floor garden, providing the perfect setting for outdoor relaxation and entertainment. Join a community that values sustainability and elegance. Discover the SALT Torquay Terrace townhouse and elevate your living experience with eco-friendly features, family-friendly convenience, and beautiful, calming interiors.
