Perfectly positioned on the north side of Bonsey Road only a short stroll to the Porter Avenue shops this oversized and well maintained unit will impress! One of only two units sitting on the large block, the home provides a perfect opportunity for downsizers, first home buyers or investors. Featuring ducted heating, timber flooring, carpets and tiling, this home has the appeal of a new home, yet with the quality of a solid brick veneer 80's build. The living area is large in size and also boasts a separate dining area. Beautifully light and bright the home has a real sense of style and appeal. The kitchen has also been updated and includes Bosch stainless steel appliances, oven, range hood and dishwasher. The two bedrooms are particularly large in size, privy to the era of the build. The main bedroom has its own walk in robe and the second bedroom boasts floor to ceiling built in robes. Another stand out feature of this property is the large garage which would easily fit two cars or a boat/campervan plus a vehicle. The rear of the garage could also be converted to workshop space, which would be ideal for the enthusiast who loves to tinker. There is also the potential to create additional off-street parking within the yard with ease. Within 50 metres to the Porter Avenue shops, post office and restaurants and only around the corner from the Epworth Hospital and Waurm Ponds Shopping, this fantastic property offers a plethora of features and conveniences for a wide variety of buyers. - Central Ducted heating throughout all areas- Air conditioning- Ceiling Fans- Adjustable electric hot water system- Low maintenance yard
