A jaw-dropping statement of style and sophistication, this incredibly renovated weatherboard charmer seamlessly blends original attraction with opulent grandeur utilising chic modern touches, helping to create a luxurious residence that sets a new standard for quality finish. Behind a charming facade showcasing endless street appeal, a far-reaching open plan living zone sets the tone for comfort and liveability for years to come. Soaring 11-ft ceilings, adorned with ceiling roses and a striking black chandelier, overlook spacious proportions and the zoned living, dining and kitchen. Stainless steel appliances and contrasting black fixtures provide an ideal place to cook up a culinary storm, with views outside to the undercover decked area and rear yard space. Three spacious bedrooms boast large proportions, the master offering a ceiling fan, walk-through robe and ensuite with walk-in shower. Finished with split-system air conditioning, ducted gas heating, remote single garage and Euro laundry, this impeccable home is set in the perfect Central Frankston locale, moments to golden beaches, Frankston CBD, freeway access and Kananook Primary School.
