Offering a neat townhome lifestyle, featuring a fully landscaped courtyard with a medley of vegetables, herbs, and subtropical plants the current owner has nurtured over time. The subtle garden lighting adds a lovely evening experience to enjoy an alfresco meal or happy hour. Bright and airy throughout, its clever design of open living / dining, looking through full height glass sliders to the delightful courtyard promises an attractive outlook, privacy and sense of space. The entry along the paved landscaped path as a side access to the home via the courtyard and gardens is inviting, providing a warm welcome to guests. The sparkling kitchen is fitted out with all modern appliances and there's a convenient downstairs powder room for guests. Two double bedrooms are on the upper level, serviced by a modern, fully renovated 2-way bathroom featuring floor to ceiling tiles, premier quality vanity and tapware. The WC is separate and the office is ideal for all the household paperwork or a work from home situation. "Daintree Court" is very well built of solid masonry construction, enjoys low Body Corporate fees and is just a 5 minute walk to the all the amenities of Tewantin Village, restaurants, supermarket and RSL. Noosa Marina is a few easy minutes for cafes, Sunday markets and live music. You can also hop on a ferry for some sightseeing to Gympie Terrace and all the way to Hastings Street. An exceptional property at a realistic price. Don't delay.
