\$770,000

Street fronted and filled with natural light, this modern-day town home presents low-maintenance lifestyle opportunity, thanks to its unique floor-plan and in a prime location. From the moment you walk in you will be impressed by the polished timber floors, soaring ceilings and the well-crafted open planned living and dining space. The cooking arena includes 40mm stone bench, 900mm coking appliances and ample cabinetry. The sleeping quarters are located on the second level, with mirrored robes, the master includes an ensuite and sperate main bathroom. Other notable inclusions consist of the following:

- Secure remote garage with internal access via the laundry
- Ducted heating, evaporative cooling and split system
- Down stairs powder room
- Remote control roller shutters and window roller blinds
- Alarm system and security doors

Conveniently located within moments to some elite schools, freeway access to the city and airport, trams and busses. A brisk walk to McNamara Ave shops and a short drive to Westfield shopping centre, LaManna Supermarket and the ever-popular Keilor Road. Don't forget the parks/trails, bike path and a quick and tennis club.
