A stylish renovation has transformed this double storey townhouse into a haven for you to relax and enjoy low maintenance living in a location that provides easy access to almost everything that you'll desire. An extremely well thought out and functional floorplan provides the best of townhouse living featuring the main bedroom with ensuite and walk in robe downstairs, adjacent to the front living room and superbly appointed kitchen and family dining which leads to an expansive outdoor timber deck and garden area that enjoys a sunny north/westerly aspect. The larger than usual double remote garage is accessed directly from inside providing all year protection from the elements. The second level provides two further bedrooms, both with split system heating and cooling, and serviced by a second bathroom and separate toilet. Other features include a downstairs powder room, laundry, under stair storage and ducted heating. Positioned within walking distance of Chadstone Shopping Centre, Salesian College, and minutes to Oakleigh Central, Holmesglen TAFE and Holmesglen Station. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
