Meticulously crafted, exuding modern sophistication and low maintenance appeal, this contemporary three bedroom, two bathroom residence features luxurious design, a northerly oriented courtyard, and quality inclusions, and is conveniently zoned to Strathmore College. The unique facade gives way to spacious and bright interiors where expansive open family and dining spaces flow through a wide glass aspect to the smart decked courtyard. Linked by a rounded-edged island bench to the dining zone, the gourmet kitchen highlights Bosch appliances and stone surfaces with beautiful European oak floors underfoot. At the top of the stairs a study nook is positioned for quiet focus. Two generous bedrooms are set under vaulted ceilings, and offer built-in robes, while the master suite occupying the rear of the second floor boasts a spacious walk-in robe and stunning ensuite with floating stone-topped dual vanity, LED mirrors, and floor-to-ceiling tiles. The main bathroom is equally sublime, with the addition of a beautiful fluted soaker tub and brushed nickel accessories. Split system heating/air conditioning, video intercom, internal laundry, downstairs powder room, roller blinds and S-fold curtains in the living area enhance day-to-day living, while a double lock-up garage is placed at the rear with internal access to the home. A short walk to a bus stop and a short drive to Coburg North Village, expansive nature reserves and a large selection of schools are all close by.
