Sleekly rendered, and stylishly renovated, streetfront with single-level style and a Panorama perspective! Expertly renovated three bedroom, two bathroom stunner, this freestanding home offers carefree living ...and the freedom to move in without a cent more to spend! Elegantly renovated with a state-of-the-art stone benchtop and European appliance kitchen with 900mm Smeg range, this impeccably presented home has well-designed bathrooms including a private ensuite... and well-appointed extras including plush carpets for north-facing living and concrete-style tiles for dining, dual walk-in robes for the master, built-in robes for the secondary bedrooms, and block-out blinds plus privacy-enhancing sheers. Centrally heated with multiple reverse-cycle air-conditioners, there's the peace of mind of secure garaging ...plus the peace that comes with a freestanding garden-wrapped design featuring entertaining decking, a sunny citrus garden, and a rear amenity area. Best of all, there's this quiet street-frontage amongst the prestige homes of one of the area's best addresses. With the Little Elephant Cafe almost at the door, schools all around and Peterson Reserve within one block, there's nothing to do (or spend) here except live the life within a walk of Highett station and shopping strip!
