Not to be missed, this beautifully finished townhouse does not disappoint. With four bedrooms, three bathrooms and fantastic storage spread over two levels, this property is suited for all. Boasting its own frontage along with a charming facade, you are welcomed to a ground floor featuring tiled open plan living and meals with adjoining kitchen featuring access to a private & secure yard via glass sliding doors. The kitchen is packed with everything you would expect including stainless steel appliances with dishwasher and impressive cupboard and bench space. Bedroom with walk in robe and ensuite and separate laundry also featuring plenty of cupboard and bench space complete downstairs. The upper level houses remaining three bedrooms, master also with ensuite along with central bathroom with spa bath and separate shower. With added features such as heating and cooling throughout, remote garage with internal access, connections ready for Foxtel, secure access via intercom, garden shed and too many more to list, no comfort item has been overlooked to ensure maximum living enjoyment.
