Fantastic recently RENOVATED villa in smart group of 4 only. This property really sparkles. Features 2 bedrooms both with built in robes and plenty of additional room. The very large lounge and dining area is open plan with smart clean floor tiles and a reverse cycle air conditioner. The kitchen has electric appliances, ceramic cook top and a new dishwasher, gas hot water system. The bathroom features a double vanity and a clean look. Decor throughout is matching, bright, clean and something you will not find in most rentals. This is a strata and pet policies are in place. Drive by and if the location suits then contact Hugo on 0419 857 235.
