One of just two nestled and within a gorgeous tree-lined locale, this street-front townhouse offers a generous dual-floor layout and scope to add value via contemporary renewal befitting its blue-chip address in the heart of Malvern. Surrounded by private gardens with all the makings of idyllic alfresco areas, interiors comprise spacious living and dining room, separate kitchen/meals and a skylit upstairs rumpus/study preceding the bedrooms (built-in robes) – two boasting sun-kissed balconies including a master with ensuite. Garage parking for 2 cars, gas-ducted heating and ground-floor w/c add further appeal to this opportunity enhanced by proximity to Malvern Village, Tooronga Train Station, M1 freeway access and vibrant lifestyle precincts.
