\$750,000 - \$800,000

Ideally sited on the corner of Clyde Street with its own street frontage, and surrounded by lush gardens, this property offers independent living, without costly Owners Corporation fees. Within easy access to Box Hill Central, the Hospital, RSL, buses, train, trams, Westfield shopping centre and parkland, makes this an ideal downsizing proposition, investment or a great entry level into the booming Box Hill market. Meticulously renovated throughout with 2 spacious bedrooms, L-shaped lounge/dining room and striking, gourmet kitchen/meals area. With large picture windows surrounding the home, all principal rooms have a lovely garden aspect with plenty of natural light. Stunning bathroom, separate laundry, basement storage or cellar and double car accommodation (with own driveway) complete this fine property in a wonderful location.
