A domain of lavish exclusivity, this just-completed architect designed masterpiece is a medley of exquisite craftsmanship, breathtaking dimensions and high-end imported elements. Dramatic towering ceilings and banks of soaring glazing are a stunning backdrop to the extraordinary living zones, matched with an immersive multimedia experience featuring big screens, projectors and integrated speakers throughout. A spectacular entertainer, the seductive lounge room, dining/family room, serene retreat and dedicated theatre with bar will fulfill any family's wish for space. While cooking in the stunning Miele kitchen and second kitchen with an inviting island, window splashback and lashings of stone, guests will spill outside to the easy-care garden with bubbling spa. Taking care of every accommodation desire, the four bedroom, four bathroom configuration includes balconies, extensive robes and ensuites with floor-to-ceiling porcelain tiling, concealed LED lighting and Vogo ultra-luxury smart toilets. Enjoying a long list of luxuries, appreciate the ground floor guest suite, European Oak parquetry, a lift, in-floor hydronic heating, ducted heating/air-conditioning, four-camera security and a double car auto garage are some notable highlights. Zoned for illustrious Balwyn High School, walk up the street to vibrant Balwyn Village to enjoy restaurants, cafes, great shopping and the Balwyn Cinema. Just metres to Balwyn Park, Balwyn Primary School, Fintona and Camberwell Grammar, catch the 109 tram to Kew's private schools and the city.
