Secure, sun-filled, and so incredibly stylish, this is single-level living that stands out... just steps to the shops. The original standalone home on a still-generous block, this expertly renovated three bedroom, 1.5 bathroom residence is in a world of its own on a securely walled private block with a broad front lawn and lush gardens to indulge a green thumb, a stone-paved, sail-shaded north-facing yard to entertain, and 4-vehicle parking off street with a tall double auto-garage to fit the caravan, boat, and more! Sparkling with fresh style to provide a carefree single-level lifestyle, this sun-filled home shines with lounge-dining wrapping glossy granite kitchen-meals (with prestige appliances including a dual-drawer dishwasher), and a never-used designer dual-vanity bathroom with a glass-box shower and freestanding bath. There's even a freshly fitted laundry with a handy second WC! Designer styled with wideboard floors and airy roof-hung sheers, this stylish home has all the extras that make life easy - including ducted heating plus reverse-cycle air-conditioning, big built-in robes and block-out blinds. There are clever added extras too... including an auto-roller shutter to take the heat out of the afternoon sun, and a breakfast or BBQ patio just beyond the kitchen to add to entertaining. Located for easy living and a beachside lifestyle on the edge of the Seaview shopping strip, this is standout single-level living with the bus to stations and Southland around the corner, the Sandbelt golf courses within a minute, and Beaumaris and Mentone Girls Secondary Colleges in Zone.
