Adjacent to this is the modern kitchen, complete with stainless-steel appliances and a functional island bench/breakfast bar. The interior also offers three good-size bedrooms, the main with a walk-in robe and the remaining two with built-in robes. An extra room offers versatility, easily serving as a fourth bedroom, home office, or hobby room. The semi-ensuite bathroom, with a bathtub, separate shower, toilet, and direct access to the main bedroom is complemented by the convenience of a powder room for guests. The outdoor deck provides a relaxed setting for both entertaining and laid-back relaxation, overlooking a well-maintained garden. Modern necessities haven't been overlooked with gas ducted heating, split-system air conditioning/heating, and energy-saving solar panels.
