Light, bright and instantly charming, this spacious three bedroom home offers welcoming privacy, ideal indoor-outdoor proportions and the independence of its own street frontage. One of only two on the allotment and the original, entirely updated residence of the address, the beauty of solid timber floorboards is matched by the attraction of the backdrop's timber decking. Living and dining areas that each feature French doors to the deck are complemented by the open-plan kitchen's stainless steel appliances. Built-in robes accompany each of the three inviting bedrooms that surround a spacious bathroom fitted with a separate bath and shower while ducted heating and the living/dining domain's reverse cycle heating/cooling unit deliver total comfort. A remote control door to a convenient double carport with ample roof-space storage enhances a property where all the character of a classic, modernised home is matched by the single level, user-friendly ease of a low-maintenance address – enjoy the best of both worlds a short walk from parks, Newport Gardens Primary School, the Bayside College campus and Challis Street cafes.
