Designed by multi award winning Hecker Guthrie, with its own street frontage and title, this three bedroom townhouse's stunning spaces deliver a luxurious easy care lifestyle in a quiet yet convenient cul de sac in a prime location just minutes from Westgarth Primary, all the delights of High Street and Merri Creek parkland. Full of natural light, expertly designed proportions are defined by cutting edge contemporary style, a range of premium finishes including terrazzo tiles and Elba marble counter tops, a perfectly private courtyard and a ground floor main bedroom with adjoining bathroom. Beyond its dynamic façade, expansive living and dining areas a stunning open plan kitchen is dressed in Elba marble benchtops and splashback with Smeg appliances and a broad central island, completing a picture of easy everyday functionality. Bifold doors open the entire space to the landscaped courtyard, creating an effortless indoor/outdoor flow for fabulous entertaining. Three bright and spacious bedrooms with excellent built-in robes/storage include two upstairs in an ideal kids' zone with a fully tiled bathroom, whilst on the ground floor the main bedroom is served by the second bathroom with walk in shower. Further highlights include European laundry, keyless entry, split heating/cooling throughout, carport with courtyard access and additional off-street parking. Walk to Dennis and Westgarth Stations, High Street cafes, cinema and trams, Station St Fairfield shops and Capital City Trails.
