\$845,000 - \$885,000

This inviting dual level residence delivers a series of well-designed modern spaces which have been extensively refreshed over recent years. The result? An exceptional residence offering move in readiness in a coveted location immediately adjacent to Newport Lakes Reserve. Downstairs living and dining areas form a fabulous partnership with landscaped gardens, a welcoming deck and majestic native trees beyond the boundary while the open-plan kitchen's stone benches and stainless steel appliances meet every need with a mixture of elegance and efficiency. Three bedrooms, a study and two bathrooms define the upstairs dimensions, including a main suite with a balcony retreat, in a home further enhanced by individual heating/cooling in each room. The leafy freedom from neighbours on one aspect creates the feel of a free-standing address that's complemented by its desirable proximity to schools, bus routes, Newport station, shopping and cafes while a secure garage and driveway parking contribute ideal convenience.
