In a highly-prized Glen Waverley pocket within reach of Jells Park, Brandon Park SC, and the forthcoming suburban rail loop, McGrath Blackburn proudly presents 127 View Mount Road, a boutique collection of two off-the-plan luxury residences. Encased by premium furnishings and soaring 2.7m ceilings, indulgent living zones fan out onto backyard decking for secluded alfresco entertaining, with the use of stone and timber accents a nod to its verdant natural surrounds. Luxurious additions include high-end tapware, Smeg appliances, 60mm Caesarstone kitchens, engineered Oak flooring, and double-glazed windows. This prestigious parkland pocket benefits from easy access to Monash University Clayton and leading private schools, and proximity to Glen Waverley SC & the M1 Freeway. -?Brand-new builds-?Stately, modern designs-?Multiple living areas with alfresco entertaining-?Walk to Jells Park-?Zoning for Wheelers Hill Primary & Brentwood Secondary College-?Stamp-duty savings
