With its commanding presence and class interior, this four bedroom as new townhouse is a must look for those looking to up-scale into the Altona North Market! From the moment you enter the space is evident, with the downstairs floorplan including an open-plan Kitchen, meals and living area! It also has the convenience of a fully equipped bedroom and bathroom on the ground floor. The kitchen has all the mod-cons you'd expect in a modern townhouse, stone bench tops, tiled splash back and s/s appliances. It also looks out to the low maintenance sunny courtyard. Which is also easy accessed from the living area. Upstairs, three light filled bedrooms are all sizeable and come equipped with BIR's. They also share a sparkling central bathroom with highlights such as a large shower and convenient bath-tub where as the master includes W.I.R & ensuite. Cap it all off with the retreat perfect for the growing family. Adding further to its appeal is the single lock up garage with internal access, heating & cooling and much more. All this in a highly convenient location, moments to Altona Gate Shopping Centre, parks, schools and city bound freeway access.
