Experience the luxury of space without the hassle of high-maintenance gardening inside this big and spacious yet easy-to-maintain three-bedroom townhouse, perfectly located in a quiet cul de sac that's central to it all! Spanning across two immaculately-kept floors with two living areas, the convenience of a large master bedroom downstairs (with ensuite and walk-in robe) and the lifestyle benefits associated with indoor-outdoor living, it has all the space and functionality required for harmonious family living – as well as a desirable low-maintenance aspect for downsizing buyers! Introducing a large formal dining/living area, this bright and beautiful home arrives at a radiant open-plan living domain, where polished timber floors gleam underfoot and space and natural light are in abundance. Cooking for a growing household is made easy inside the sparkling family-sized kitchen, while a large undercover entertaining area with motorised blinds caters for large-scale gatherings any time of year.
