One of only two, this classic 3 bedroom brick villa has a lovely mix of light filled interiors and lush wrap-around courtyard gardens. Warm and inviting with plenty of room to imprint your sense of chic, this single level gem enjoys an elegant lounge opening out to the sun splashed established garden courtyard; a flexible dining area or home office, an updated kitchen with stainless steel appliances and north facing living area, a good size main bedroom with walk in robe and original semi ensuite bathroom with separate toilet, 2 further double bedrooms with built in robes, and sizeable laundry with rear access. A rarity with a double auto garage, this coveted unit is complete with ducted heating, air conditioning, ceiling fans and security doors. In the all-important Balwyn High School zone, metres to the 109 tram, Deepdene Preschool, Deepdene Park and Whitehorse Road cafes, walk to Deepdene Primary School, cycle along the Anniversary Trail and choose to ride the tram or stroll across to Balwyn Village for a diverse mix of dining and great films at the Palace Cinemas.
