In a small block of 6 units this unit is located at the front of the small block so overlooks a nice green garden. The outdoor living space is very secure and as you can see from the photos this unit has excellent security features. The floor plan is very well thought out with the living area having an easy flow thru to the outdoor entertaining space. The laundry, toilet and bathroom are contained in the one room which is large enough to accommodate the three. The main bedroom has built in robes. Provision for one car behind the security gates off the lane way at the rear of the block. The internal living area is 55m². Enjoy being close to the cafe strip, transport and the CBD. There are two small garden shed in the courtyard. Keep cool this summer with a split system air conditioner in the living area. This unit is fully furnished. The stove and hot water system are electric.
