Enjoying premier position in the exclusive collection of only four, this exceptional residence delivers a sweeping dual level floorplan that is more akin to a house than an apartment. Interiors spill out to multiple outdoor spaces embracing a magnificent panorama that includes the city, Harbour Bridge and Opera House. Beautifully designed and appointed, this immaculate home includes a flexible office or sitting room plus indulgent whole floor master. Positioned in a tightly held, well-maintained building in a prestige setting steps to the bus and ferry.- It delivers a size and space that is rarely seen in apartment living- Multiple outdoor areas to choose from and enjoy the sun- Secure intercom entry, tightly held block, handsome oak flooring- Spacious and open plan living and dining opens to the large terrace- Quality stone topped induction kitchen - Two generous lower-level bedrooms - one open to private garden courtyard- Independent Master with large walk-in robe and ensuite bathroom- Upper-level light filled and spacious also extends out to a side terrace- Sensational vistas are enjoyed from the large entertaining terrace- Secure intercom entry to DLUG with mezzanine storage
