Welcoming and perfect for those looking for their first home, seeking a simpler lifestyle, or after an investment. This delightful detached court yard home features two large bedrooms, a family sized bathroom, separate toilet, laundry and offers a comfortable, low maintenance life style. Functional and spacious the main combined living/dining and adjoining kitchen areas seamlessly connect creating an inviting space for everyday living, also just right for entertaining. A reverse cycle split system will control year round comfort in this main hub and ceiling fans installed in both bedrooms will add airflow during the warmer months. Mostly original on the interior but certainly adequate for you to move in and enjoy, there is the opportunity to upgrade, modernise and add your own touches as being well constructed in solid brick, which we rarely see solid homes built these days. An under the main roof carport is handy with added offroad space for extra vehicles, the ideal spot is in the rear yard for relaxation time or when catering to create outdoor fun in the patio area. Extras include two garden sheds, a small rainwater tank are also shown in the back yard, plus there's space to establish your garden haven. You'll appreciate the convenient location, offering easy access to the main city centre, our amazing beaches, most of the town's amenities and overlooking a large recreational park extends some nice outlooks.
