Effortlessly Stylish and Well Connected This architect-owned two bedroom unit has undergone a remarkable renovation, reflecting the owner's passion for design and commitment to creating a beautiful living space. Inside you are welcomed to a separate living area elegantly complemented by custom hardwood shelving, adding a touch of sophistication to the space. Warm timbers carry through to the kitchen and meals zone to its cabinetry. There is also a spacious walk-in pantry, new Bosch appliances, and an integrated dishwasher all set against a stylish tiled bench top. From the kitchen, you can step out into a charming low maintenance courtyard, for a peaceful outdoor retreat. Both bedrooms have built-in robes, while the main bedroom is generously proportioned. The sleek central bathroom features laundry facilities, a frameless walk-in rain shower, and convenient storage cupboards. The separate toilet adds to the functionality of the space. Other highlights include new engineered flooring, frameless doors, video doorbell security, split system AC, panel heating and OSP for your vehicle. Located adjacent to Bill Lawry Oval and bus stop, Westgarth Station, and the lively lifestyle amenities of High Streets charming cafes, bakeries, and restaurants.
