## Expressions of interest closing 26th March

A seamless extension of the ocean beyond, Ondas Manly boasts six newly completed residences that epitomise the elegance of indoor-outdoor living. Here breezy, open-plan layouts and immaculate designer finishes offer a home that feels worlds away. An expansive 500sqm full-floor apartment sits on the ground floor framed by lush gardens and a wrap-around courtyard. Feel right at home in a sleek and stylish kitchen that caters to your every culinary whim. Entertain with friends with help from the best in Gaggenau, Miele, and Sub-Zero appliances. Welcome people into your Ondas Manly residence and watch their gaze travel straight to the view beyond. The spacious living and dining areas invite guests to enjoy an afternoon of entertainment and relaxation. Wake up to seemingly endless ocean views in bespoke master bedrooms individually designed for luxurious comfort. Filled with opulent finishes, your master suite invites you to enjoy a space of total tranquillity. Bathed in natural light, each bathroom is a sanctuary of smooth stone and marble. Designed by renowned architect Rob Mills, these residences feature the highest levels of craftsmanship. Key Features - 4 four-bedroom residence each with ensuite and extensive robes - 500sqm full-floor garden apartment - floor-to-ceiling glass from living spaces to expansive outdoor living - state-of-the-art kitchens equipped with Gaggenau appliances and marble benches - integrated Miele dishwasher, Sub-Zero fridge and wine fridge, and brushed nickel tapware - integrated home automation system for light control, air conditioning, blinds, and curtains - two secure car spaces and lock-up storage.
