\$1,380,000 to \$1,510,000

Opulent finishes and meticulous craftsmanship intertwine seamlessly throughout this brand new home, delivering a lifestyle of luxury for the fastidious family in the admired Mount Waverley Secondary Zone. Relishing the latest in designer trends, the home's bright interior sits beyond double entry doors and exhibits a sumptuous open plan living, dining and kitchen that's detailed with sleek floorboards, high ceilings and premium cornices and architraves. The kitchen itself flaunts modern fashion with waterfall porcelain benchtops, Miele appliances (gas stove, oven and dishwasher), Robam rangehood, soft close cabinetry plus an island breakfast bench. Serving as the perfect connection between inside and out, sliding doors entice you out onto an entertainer's deck and sun-soaked courtyard. Upstairs, a retreat provides the family with a second living space, while the four robed bedrooms include master bedrooms on both levels, each with a built-in-robe and ensuite, supplemented by a family bathroom with toilet, powder room and laundry. Packed with top of the range appointments including Daikin zoned central heating and cooling, 3 meter high ceilings, double glazing, LED downlights, floor-to-ceiling tiles and touch screen mirrors in bathrooms, keyless entry, water tank plus a double garage with internal access. Ideally positioned for easy access to Roberts McCubbin Primary, Mount Waverley Secondary, PLC, Deakin Uni, Brickworks Shopping Centre, buses, trams and Box Hill Central.
