\$560,000 - \$585,000

This newly developed and highly prized residential precinct enjoys the unique advantage of immediate access to The Pines SC and Anderson Park; with the wildlife corridors of Warrandyte, Currawong Park, and Mullum Mullum right nearby. The profile, like the interiors, is balanced and modern, favouring clean lines and a restrained palette. A living and dining domain is spacious and sunlit, helped by a north-facing exposure and intelligently placed balcony taking advantage of abundant natural light. A statement in culinary excellence, a central kitchen overlooks the living & dining domain, and flaunts a central waterfall stone island with breakfast bar and intuitive galley design. Accommodation is met by two large bedrooms with BIR and two bathrooms. Features include an entry foyer, hardwood flooring, storage cage, and secure parking.
