Not often does a well-built residence with so many creature comforts become available at this price point. A delightful two bedroom unit in a quiet court location surrounded by quality homes and great neighbours, this property will appeal to the small family and investors alike. Less than 5 years old and with all the mod cons, this unit features a bright open plan living, dining & kitchen with stainless steel appliances, including dishwasher, modern bathroom with separate toilet, european laundry and two good sized bedrooms with built in robes. Additional features include ducted heating, split system air-conditioning, quality window coverings, alarm system, courtyard and single garage with remote. With a current rental return of \$340 per week, this is an excellent opportunity. Call Professionals Ryder Real Estate Melton today to arrange your inspection for this beautiful unit for sale in Kurunjang.
