Looking to start out in the market? Or looking to downsize? Looking to add to your investment portfolio? This home fits. Designed with low maintenance in mind, each side of this dual occupancy home hosts 3 bedrooms, 2 bathrooms and two living spaces plus both with covered alfresco areas. With the living room located at the front of the home, this offers so much convenience in being separate and away from the busiest end of the household. The kitchen is open plan, overlooking the combined tiled dining and family living space with press-open top cupboards and soft closing drawers. The bathrooms continue with the modern inclusions. Wall hung vanities, feature wall tiling. A clean minimalist design.
