Buy before the rush! Stylish & contemporary unit designed to capture the art of modern living. Offering exceptional finishes & inclusions throughout and being built by a local reputable builder Jamieson Constructions. The interior themes are inspired by modern twenty-first-century style. The neutral colour palette and finishes include stone bench tops, creating sleek and contemporary spaces that complement the light filled interior and 2.74m ceiling height throughout. Providing quality inclusions throughout such as gas cooking, dishwasher and reverse cycle air conditioner. But what is truly amazing about these units is the location, situated close to the North Nowra shopping complex, medical centre, within Illaroo Road School catchment and short stroll to sporting grounds and within minutes to local iconic walking trails. These units are the ultimate in relaxed living. Currently under construction to be completed October 2023.
