Free-standing, featuring a traditional street frontage that illustrates the fact that it's the original home of an allotment shared now with only one other property, this inviting residence combines classic and contemporary elements to impressive effect. Period proportions, polished floors and high ceilings convey timeless character throughout a bright living room that leads to a separate dining space and a kitchen where stone benches, stainless steel appliances, designer cabinetry and distinctive splashbacks project a beautifully modern mood. Three bedrooms reaffirm the appeal of the home's origins while a central bathroom that reflects exceptional renovated flair is complemented by a separate laundry. Alfresco decking delivers private entertaining enhanced by a pergola and stylish timber barbeque bench before a secure garage adds a convenient conclusion close to The Circle, Second Avenue Grocer, Altona North Primary School and Altona Gate Shopping Centre. Enjoy townhouse ease with a traditional twist. Townhouse Convenience With Traditional Character
