Timelessly stylish and remarkably easy to maintain in the zone for Mount Waverley Secondary College, this light-filled and family sized contemporary townhouse offers four bedrooms (possible 5th bedroom / sitting room use), three bathrooms and an exciting, walk-everywhere lifestyle. Set to the front of this grandly elevated, boutique block of only three, with its own independent driveway and sweeping views to the north, the home also sits comfortably within walking distance of Deakin University and Brickworks Burwood Shopping Centre with its popular Chinese Market. Freshly painted with polished hardwood flooring, new blinds, plantation shutters and new lighting, the home is pristine with a Blanco-equipped and stone-topped kitchen / dining / living that is organised around a broad breakfast counter, while offering seamless connection to a sunny entertainers' deck. Importantly, the home also offers a lounge room at the front of the home and an upstairs living room / open study area, ensuring the needs of families are comfortably met. The main bedroom is conveniently set downstairs with its own ensuite and walk-in robes, plus there are built-in robes in each of the upstairs bedrooms, a stylish black-and-white themed bathroom / laundry downstairs and a family-sized bathroom with an independent shower and bathtub. Further highlights include a double lock-up garage with additional driveway parking, as well as central and zoned heating and air conditioning, a split system, secure video entry, an alarm and CCTV surveillance.
