Rarely does an opportunity exist to purchase a large allotment of land that is already divided into 5 titles. This is the perfect opportunity to purchase and sell as individual blocks or provide house and land packages. For the owner-occupiers, there is plenty of room to build your dream home. Ideally located in a premium position within walking distance of the central business district and amenities this is an opportunity not to be missed. Barraba is a quaint rural village located 1 hour's drive North of the larger center of Tamworth. To Inspect and Explore call Nellie on 0458 326 464
